For an additional copy of this rebate form or information about Lakeland Electric’s (LE) Electric Vehicle Incentive Program, visit www.lakelandelectric.com

APPLICATIONS MUST BE POSTMARKED OR EMAILED WITHIN 30 DAYS OF ELECTRIC VEHICLE INVOICE DATE OR YOUR REBATE REQUEST WILL BE DEEMED INELIGIBLE. Rebates will be in the form of a check from Lakeland Electric. Allow 4–6 weeks for processing.

I accept the Terms and Conditions of the LE Electric Vehicle Incentive Program on the reverse side. Initials: _______
General Guidelines

- The LE Electric Vehicle Incentive Program provides residential customers with a one-time rebate for the purchase of an electric vehicle.
- Rebates are limited to one rebate per NEW electric vehicle purchase or lease with a registered address in LE electric service territory. Rebates will not be paid for Electric Replacement Vehicles.
- Rebates are available for purchases as of November 1, 2020 and while funds last. Rebate applications will be processed and paid within four to six weeks after they are received. Applications must be submitted with all required information and supporting documents in order to be considered.

Terms and Conditions

- Must be LE residential electric customer who lives in LE service territory or tenant who pays for electric service as part of the rent collected by your landlord. (Proof of lease agreement may be required.)
- Qualified electric vehicle is a plug-in electric passenger type vehicle (all electric) licensed to operate by Florida Department of Motor Vehicles.
- Purchase or Lease must include verifiable documentation:
  - Registered address on submitted vehicle purchase invoice must match LE electric service address data on record.
  - VIN number is required and will be verified to LE Service Territory on FL Department of Motor Vehicles.
- Applications must be postmarked or emailed within 30 days of the date shown on the vehicle purchase invoice.
- LE customers may receive only one rebate per qualifying electric vehicle per vehicle owner. A second rebate may be requested for an additional qualifying vehicle located at the electrical service address if purchased by a non-account holder. For example: if multiple people are living in a home served by LE, such as a husband and wife, and each purchases an electric vehicle, each could apply for and receive one rebate. (Proof of residency may be required.)
- The purchase of an electric vehicle is the sole and exclusive responsibility of the customer. LE does not endorse any specific manufacturer or dealer and makes no representations regarding specific manufacturers or dealers or their workmanship. LE makes no warranty for the use of the vehicle. By participating in this program, customer agrees that LE has no liability concerning the quality, safety and/or operation of the electric vehicle, or any estimated energy savings, or mileage performance.
- Customer is responsible for meeting the rebate requirements and complying with all laws.
- LE is not responsible for items lost or damaged in the mail.
- Funds are limited and subject to availability. Rebate amounts and this rebate program are subject to change, including termination, without prior notice. Refer to www.Lakelandelectric.com for program status.
- Program participants are responsible for any taxes associated with the receipt of a rebate.
- Visit IRS.gov to determine if your vehicle is eligible for a tax credit.
- By participating in this rebate program, the Customer applicant agrees to abide by and be bound by these Terms and Conditions.
- The content provided on this form is for informational purposes only. It is subject to change, and does not constitute tax advice. All persons considering use of available tax incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.
- A passenger vehicle is hereby defined as an automobile or station wagon which is built and used exclusively for the private use of the driver, is surrounded by windows, has permanent passenger seats, and can be parked in one (1) parking space. The rebate does not include motorcycles, bicycles or scooters.
