General Guidelines

• The (EV) Charger Incentive Program provides residential customers with a one-time rebate for the purchase and installation of a New Level-2 (EV) Charger.

• Rebates are limited to one rebate per new (EV) Charger system purchase per service address.

• Rebates are available only to LE electric customers purchasing a (EV) Charger Level-2 for the rebate.

• Rebates are available for purchases as of November 1, 2020 and while funds last. Rebate applications will be processed and paid within four to six weeks after they are received. Applications must be submitted with all required information and supporting documents in order to be considered.

• (EV) Charger must meet the minimum requirements Level-2 charger.

Terms and Conditions

• Residential applicant must be a LE electric customer who lives in the LE service territory, pays for electric service and owns the home where the (EV) Charger is installed. Proof of home ownership may be required.

• Purchase of (EV) Charger must include verifiable documentation:
  — Registered address on submitted (EV) Charger invoice must match to LE electric service address data on record.
  — (EV) Charger, performance rating, serial number(s) is required and will be verified during the LE interconnection inspection.

• Applications must be postmarked or emailed within 90 days of the date shown on the (EV) Charger invoice.

• The purchase and installation of a (EV) Charger is the sole and exclusive responsibility of the customer. LE does not endorse any specific manufacturer or dealer and makes no representations regarding specific manufacturers or dealers or their workmanship. LE makes no warranty for the use of the (EV) Charger. By participating in this program, customer agrees that LE has no liability concerning the quality, safety and/or operation of the (EV) Charger.

• Customer is responsible for meeting the rebate requirements and complying with all laws.

• LE is not responsible for items lost or damaged in the mail.

• Funds are limited and subject to availability. Rebate amounts and this rebate program are subject to change, including termination, without prior notice. Refer to www.Lakelandelectric.com for program status.

• Program participants are responsible for any taxes associated with the receipt of a rebate.

• Visit IRS.gov to determine if your (EV) Charger is eligible for a tax credit.

• By participating in this rebate program, the customer/applicant agrees to abide by and be bound by these Terms and Conditions.
